a past to remember . . . a future to build.

To the Graduating Class of 1976,

The time has come when our experiences at Dallastown turn into memories. Many different aspects of school life fall into this category: homework and tests, teachers and administrators, sports, dances, assemblies, homeroom periods, looking out of classes, banquets, lunches, devotions, schedule changes, pep rallies, report cards, tournaments and many others. As those men did two hundred years ago, we too must take a precarious step forward and try to improve ourselves and the world around us. As we leave high school and move on, let us not forget those things which made our past, but use them to build our futures upon. Hopefully we will have learned from the past, where our true beginnings took hold, like the deeply grown roots of seedlings which eventually grow into strong trees that protect and nourish those things around it. Like a tree, we too must stretch forth our limbs to the world, and contribute to its growth.

This year's football team had another fine year, logging a 7-1 mark in league play and 8-2 overall. Coach Wood ended the year with an 8 game winning streak, the longest in history. It started after a narrow loss to divisional champ Central. The streak included an exciting, come from behind win over Red Lion. Other tough opponents were dealt with surprising ease as the Cats had little trouble with Hanover, Dover, and Division B champs Spring Grove. A ball control offense and a Doomsday Defense kept the Cats consistantly tough all year.

Steve Albright became the first Dallastown running back ever to gain over 1000 yards in a single season, taking the MVP trophy in the process. Once again Dallastown had more players (6) on the All-County team than any other school. It certainly was a season to remember.

Every student who is involved in the WILDCAT MARCHING BAND knows that when the last three weeks of August roll around their school year will be starting very soon. They won't be in the classroom, but outside on the football field marching eight-to-five and getting a show perfected for at least the first game of the season.

Football games aren't the only events scheduled on the band's calender . . . last spring's trip to Florida, money raising projects and bicentennial activities are just a few of the "extras".

As you can see, D-town's band is a very active group in our school and one that surely deserves recognition.

Seniors Godfrey, Large, Frank, and Markey surround coaches. Koller and Kolega.

The hockey team brought back the championship to D-town this year after a two year absence. With only a few letterman returning, the team still posted an undefeated 11-0-2 mark. The little the team lacked in experience and talent was made up by their tremendous enthusiasm.

Paced by high scorer and MVP, Jo Godfrey, the team reeled off 9 wins in a row to make the league race a shambles. The Central win was the key, thrusting them into sole possession of first place, where they stayed the remainder of the season.

Players and coaches alike will no doubt remember this very "special" team and season for years to come.

My Summer In Brazil

This summer I experienced life in another culture. For two months my home was with the Hoefel family in Sao Leopoldo, Brazil. Living with those warm, endearing people—in their way was the beginning of a deeper understanding for all of us.

To live, adjust, learn, communicate, and love is what AFS and the Brazilian people are all about. A challenge is what I found in Brazil, and it is my hope that Dallastown's future travelers will find and meet their challenges too.

Thank you AFS. Thank you Dallastown.

National Honor Society

Mrs. McKnight—Advisor

Dallas Imperial Chapter of National Honor Society is one of twenty-thousand such units in the United States. This nationwide organization is sponsored by the National Association of Secondary School Principals to foster scholarship, leadership, character and service. For many years Dallastown Honor Society has chosen as its major service effort, a peer-tutoring project, which has brought major benefits to the tutors as well as those being tutored.

Coach Lehr

ROW 1: (Managers) G. Jacobs, T. Ferree.
ROW 2: J. Fitz, E. Snyder.

For the first time in a dozen years, Dallastown Basketball reached the pinnacle, with a 72-63 county championship win over Hanover. It was the 'Cats first win in seven tries in Gettysburg, breaking the so-called "jinx".

The high scoring Wildcats were tied with Susquehannock at season's end and defeated the Warriors 80-65 in a playoff for the divisional title. The 'Cats finished the season 19-5 under the guidance of Coach Lehr. As expected Bill and Rick Rutecki carried the team throughout the year.

Against Hanover, sparkplug Pete Charlton came in off the bench to keep the 'Cats in the game in the early going. From then it was just a matter of time till Dallastown caught the Hawks and gained the victory. It was only fitting that the Ruteckis' dish out the final fatal blows late in the game, culminating an uphill struggle all night against both Hanover and the "G-burg jinx".

Both Bill and Rick scored over 500 points this year, accompaning scoring averages of over 20 points a game. Bill finished his career at Dallastown with over 1500 points, easily being the highest scorer in the school history.

The Dallastown co-eds compiled an astonishing 14-0 record this year, taking the league title in the first year of an official county girl's basketball loop.

Coach Henry's first league contest was an 18 point win over Central, the closest anyone got to Dallastown throughout the year. Even the tougher teams around the league such as York Catholic and York High couldn't touch the Wildcats.

The team was lead by high scoring sophomore twins Bonnie and Connie Blouse, Joanne Godfrey and Terri Frank, the only seniors, gave the team experience, which they needed against the more established teams. Cathy Sullivan, Connie Chronister and "Flip" Oberdick kept the backcourt on the move with a very effective press that stymied opponents all season. This is evidenced by the margins of victory throughout the year.

Joanne Godfrey was named MVP.

Matmen Win Again

Dallastown once more reigned supreme in the YCIAA wrestling championships, adding yet again to the Cats' remarkable career record.

Clinching the title with a win over Dover, our grapplers remained unbeaten, holding the solo spot at the top of the wrestling circuit, the ninth time in ten years.

The J.V. and Jr. High, our building blocks of the future, also had successful, winning seasons.

MEMORIES

A Year To Remember...

American Bicentennial 1776-1976

This year started unlike the past few years, so many things seemed different. Although the faces were familiar the atmosphere had changed. The school term began late due to internal controversies, yet construction of the additional wing was well under way. Students not only found themselves adjusting to their new schedules, but the installation of locks to lockers added to the normal confusion of the beginning of the year. Because the Dallastown District chose the bicentennial theme, we decided to...

"If you so choose to accept this mission..."

Alright! Alright! Alright!

Although students were overcrowded in the temporary, classroom size library for the beginning of the year...

they were fortunate to have the advantage of a new spacious library for the remainder of the year.

Another day has gone by, we return home... once again.

Remember when they changed the "style" of the cafeteria so that you didn't have to wait 10 minutes for your food? Lest we forget our bicentennial meals!

One aspect of school life is the widely varied curriculum. Students were involved in major science labs, or learning the mechanics of the automobile. Other students were busily repairing machinery, while some were tackling the techniques of tennis. Although most classes were challenging, once or twice students could be found spending their time otherwise!

Run, John, run. See John run. John is fast!

Seniors Will Stage '1776 And All That'

The success of the Senior Play was due to the involvement of many dedicated people. Anyone involved will long remember the many practices, ticket sales, "backstage" discussions, dress rehearsals, the Bump line at the cast party, and most of all... Mr. Rutledge!

SENIORS

Yes, We have seen four years past before us,
In a mere instant of time...
Like an acorn, we started to grow as
Freshmen, learning to cope with the
years to follow...
Each new experience, in turn, taught us
something new.
Each new year, was a branch adding
greater dimension to our total
being...
And now...
The road to greater things stretches
far ahead of us...
The friends and knowledge of these
Last few months have reached
their ends...
We approach the fork in the road
and still stumble down the last
angry miles together...
For our future is now in the
making...
The branches of life are many
and the branch we choose, we choose
alone...
It was wonderful and has past
too quickly...
I cry... Not because of happiness,
not because of sorrow,
nor for any visible reason.
But, I see the road is clear
ahead of me.

the class of 1976

Part of the Plan

I have these moments
All steady and strong
I'm feeling so holy and humble
The next thing I know
I'm worried and weak
And I feel myself
Starting to crumble

The meanings get lost
And the teachings get tossed
And you don't know what you're
Going to do next
You wait for the sun
But it never quite comes
Through to you
Some kind of message comes through.
And it says to you . . .

Love when you can
Cry when you have to . . .
Be who you must
That's a part of the plan
Await your arrival
With simple survival
And one day we'll all understand . .

I had a women
Who gave me her soul
But I wasn't ready to
Take it.
Her heart was so fragile
And heavy to hold
And I was afraid I might
Break it.

Your conscience awakes
And you see your mistakes
And you wish someone
Would buy your confessions.
The days miss their mark
And the night gets so dark
And some kind of message
Comes through to you
Some kind of message
Shoots through-
And it says to you . . .

There is no Eden or
Heavenly gates
That you're gonna make it to
One day
But all of the answers you seek
Can be found
In the dreams that you dream
On the way.

Yesterday is already a dream,

and tomorrow is only a vision;

but today, well-lived,

makes every yesterday a dream of happiness,

and every tomorrow a vision of hope.

The future always arrives a little before you're ready to give up the present.

"The times we shared together
Are remembered now,
Only in my mind.
A small but important part
Shaping today's world
With yesterday's memories,
Another chapter
In the unwritten biography of my life
Never to be experienced again,
Remembered only in my mind."

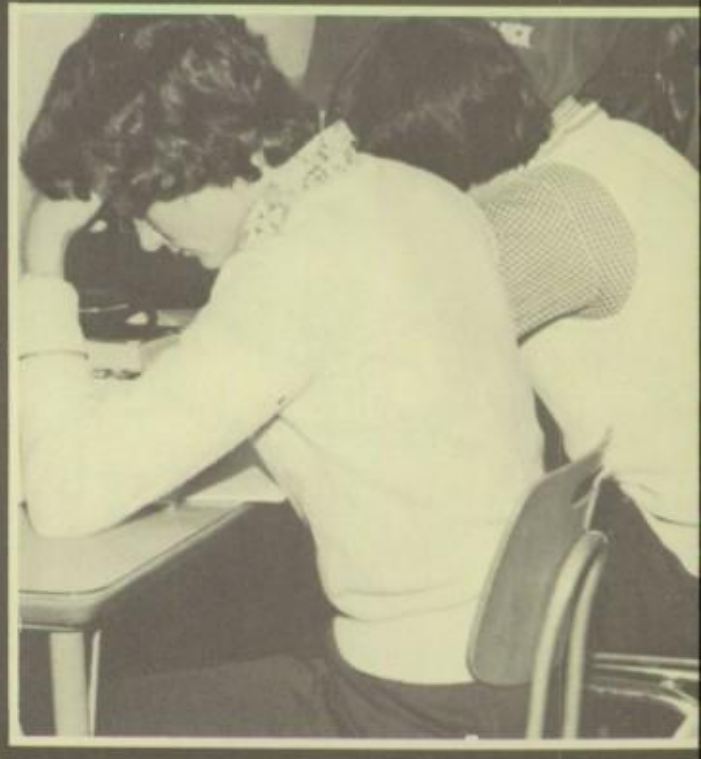
It is hard to say goodbye to all the things
high school has meant to us,
The memories of these treasured years
Shall never fade from our minds.
We will always remember the people
Who grew to mean so much to us
Throughout these years.
It's all behind us, now we're on our own.

Thoughts run through my mind . . .
Wondering what lies ahead.

"And now for a fleeting moment
We are side by side together,
As in the dawn of a new day
When the windows of the sky will open
So will our lives open before us,
In a hundred ways and places
And we'll go our ways
Armed with knowledge of past and present
Friends in whom we can trust
And a handful of memories."

"We arrive in this world alone
We depart alone
This time called life
Was meant to share."

As graduation creeps toward us,
Each day is filled,
With reflective contemplation
Of the past four years.
People, we will never see again,
Events never to be recaptured
Fill us with nostalgia and desire
To remain.
But our hearts remind us,
That by giving our best,
We have in turn accepted
the challenge
To greet the world head-on,
With a grin on our face.



The tide rushes in and
covers my footprints
leaving the sand fresh
for another adventure.

My life is like the sand.
People journey through my
mind and leave their footprints,
but then the tide rushes in.

Life ... simple like a tree,
Twigs and branches ... aspects of the total form.
The trunk of life, the basis of society ...
the generation preceding us,
bending to form the lives of new
generations.
They are the people who pave the way for the young,
They are the people who earn our respect,
They are the people we shall one day become.

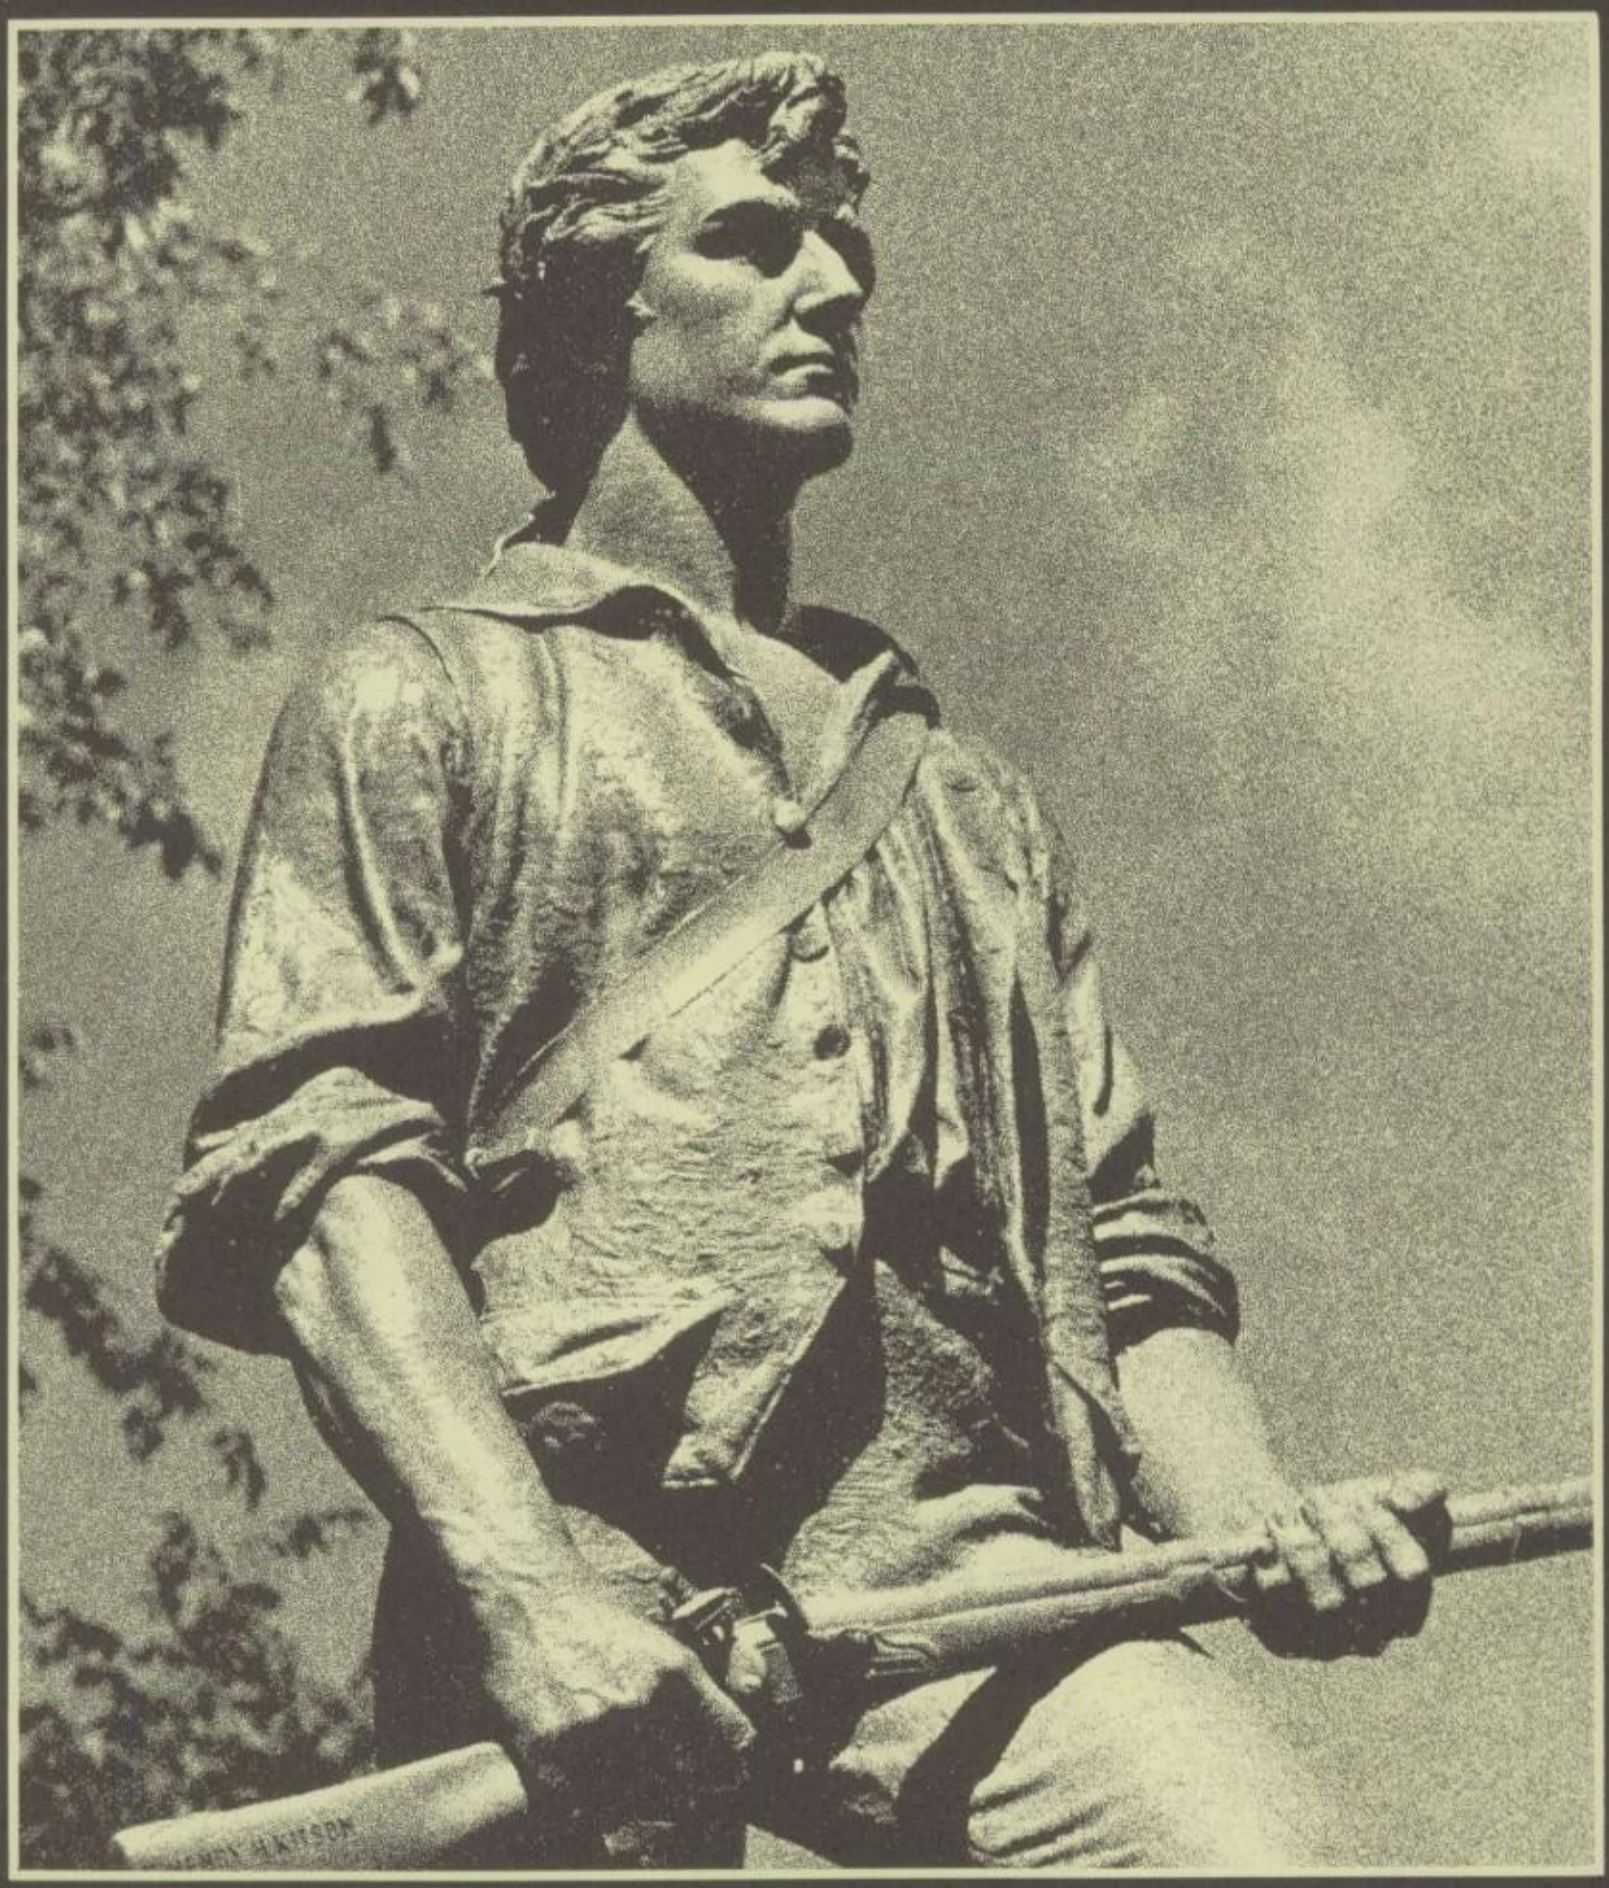
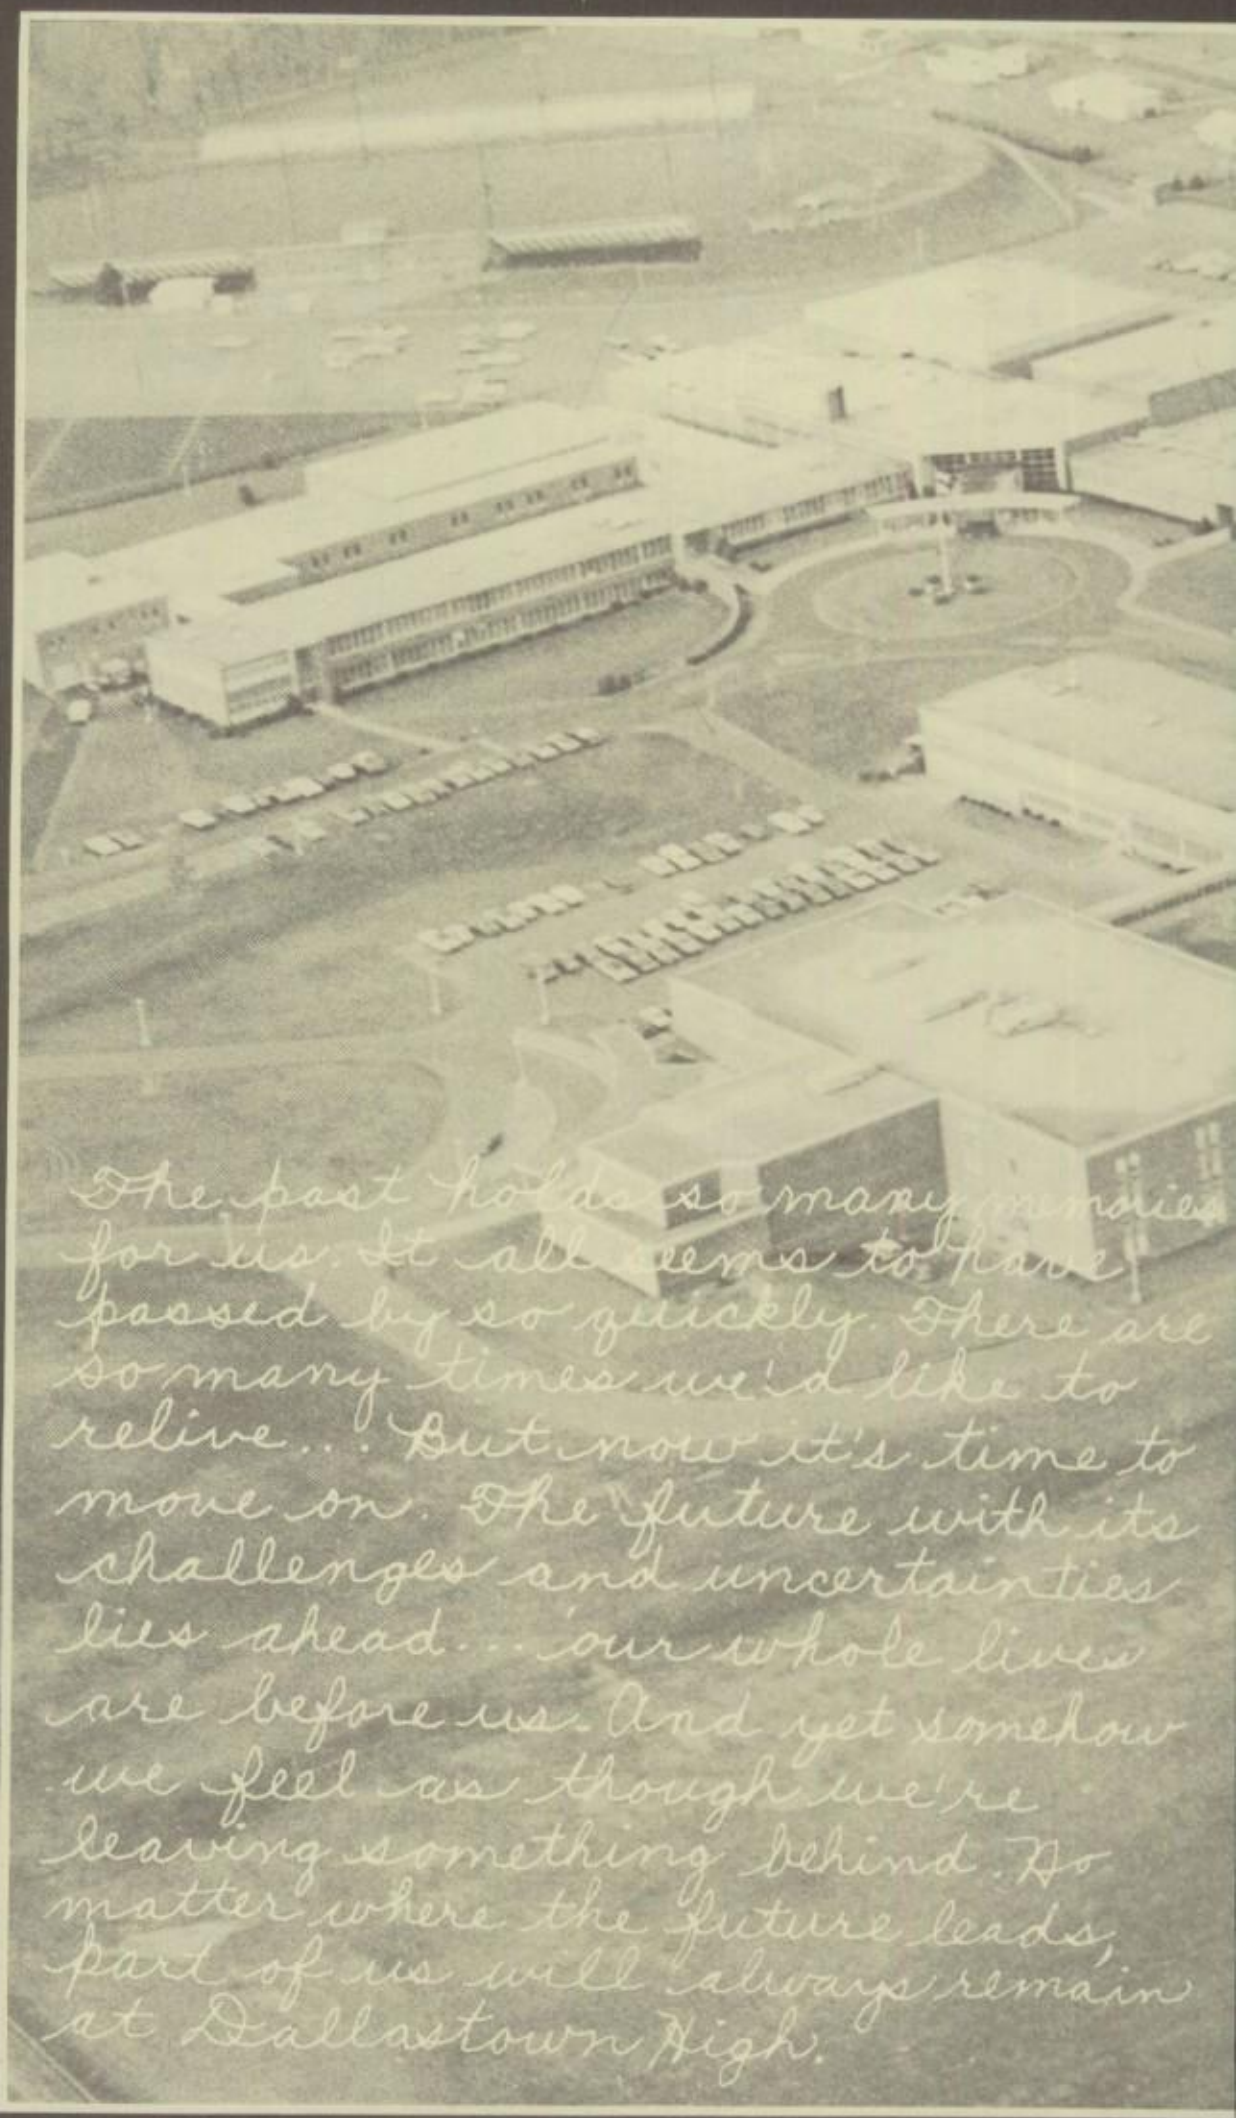
We, the Senior Class of 1976, wish to extend a special thanks to all of our parents for their contributions and support.

WE, THE SPECTATOR STAFF OF 1976,
WISH TO DEDICATE THIS YEARBOOK
TO THE BICENTENNIAL YEAR OF OUR COUNTRY.
WE ARE PROUD TO SAY THE YEAR OF OUR GRADUATION
CORRESPONDS TO AMERICA'S 200TH BIRTHDAY.
MAY AMERICA PROSPER FOR THE NEXT 200 YEARS
AS IT HAS FOR THE PAST 200 YEARS.





The past holds so many memories for us. It always seems to have passed by so quickly. There are so many times we'd like to relive...! But now it's time to move on. The future with its challenges and uncertainties lies ahead... our whole lives are before us. And yet somehow we feel as though we're leaving something behind. No matter where the future leads, part of us will always remain at Dallastown High.
